2.1 Employer Rights Except as specifically restricted by the express language of this Agreement, the Employer retains the right to manage the school district and direct the working forces in the manner it determines to be in the best interests of the School District.

2.2 Communications The Association and the Employer recognize the importance of communications in maintaining good relationships and agree to meet for the purpose of discussing mutual problems. Meetings shall be held at the request of either party upon reasonable written notice stating the item or items to be discussed at such meeting.

2.2.1 The Superintendent or his designee will represent the Employer, and he may designate other members of the administrative staff to attend meetings scheduled under this Section; provided, however, no more than three (3) representatives of the Employer shall attend such meetings.

2.4 Discrimination Against Employees The Association and the Employer agree that they will not practice discrimination or discriminate against any Employee because of race, color, religion, creed, national origin, gender, sexual orientation, age, marital status, military status or unfavorable military discharge, physical or mental disability if otherwise able to perform the essential functions of the job with reasonable accommodation.

2.4.1 If a claim of unlawful discrimination is processed to arbitration, the Association agrees to be bound by the result thereof.

2.5 Association Membership and Activity Employees shall have the right to organize, join, and assist the Association, to participate in professional negotiations with the Employer as provided in this Agreement through representatives of their own choosing, and to engage in other activities for the purpose of establishing, maintaining, protecting, or improving conditions of professional service and the educational program; provided, however, nothing herein shall be construed as sanctioning any action which is inconsistent with the terms of this Agreement. Neither the Employer nor the Association will discriminate on the basis of Association membership, lawful Association activity or refusing to engage in such activity, participation in negotiations, or the adjustment of grievances.

2.5.1 The Association and the Employer agree that Union membership is entirely a matter of the Employee's free choice and determination.

2.5.2 Employees shall not solicit membership in the Association or carry on any Association activity during pupil contact time except as specifically provided by this agreement.

2.6 Request for Information The Employer shall make available to the Association, upon its written request, information, statistics, and records which are relevant to negotiations or necessary for the enforcement of the terms of this Agreement. Nothing herein shall be construed so as to require the Employer to prepare, assemble, or compute any information for the Association.

2.6.1 The Employer shall make every reasonable effort to furnish to the President of the Association, at least twenty-four (24) hours prior to each Board of Education meeting, a copy of the agenda and such other information given to the news media for said meeting. The Association and Employees waive their rights to grieve under Article 4 of this Agreement any failure by the Employer to comply with the time limitation for delivery of such material specified in paragraph 2.6.1.

2.6.2 On or before November 1 of each school year, the Employer will furnish to the Association a listing of the names and addresses of Employees in the negotiating unit. Names and addresses of newly-hired Employees shall be provided to the Association within fifteen (15) days after the date of approved employment by the Employer.

2.6.3 Two (2) copies of all approved regular and special Board Minutes shall be mailed or placed in the mail box of the Association President as soon as they are prepared and approved by the Employer Board.

2.7 Use of Employer's Facilities The Employer agrees that the Association may use the facilities and equipment listed in this Section for lawful Association activities provided such use does not interfere with the regular school operation. The use of such facilities shall be subject to all rules, conditions, and policies governing the use of such facilities. When applicable, the Association shall pay the regular charge for use of such facilities.

2.7.1 Upon approval of an Application and Permit for Use of School Properties, the Association shall have the right to schedule Association meetings and activities on school property in accord with the conditions specified in Section 2.7.

2.7.2 The Association shall be permitted to post notices of meetings and other pertinent information regarding lawful Association activities on bulletin boards provided by the Employer. 2.8 Discussion of Association's Views Both parties to this Agreement agree that the Association's views relating to Employer and/or Employee or administrator and/or Employee relationships shall not be discussed in the presence of students.

2.9 Right to be Represented by the Association The Employer understands that it may be desirable for an Employee to be represented by the Association at some meetings scheduled by the Employer.

2.9.1 If the Employer is pursuing a matter involving an Employee, a representative of the Employer may discuss the matter with such Employee without a representative of the Association being present; provided, however, such Employee may request in writing that a representative of the Association be present at any such discussion and the Employer's representative shall approve or deny such request in writing and send a copy of such request and approval or denial to the Superintendent of Schools. However, it is understood and agreed that a meeting to discuss a pending or potential disciplinary matter will be held prior to issuing any written disciplinary action, and prior to scheduling such meeting the Employee will be given written notice as to the nature of the meeting and informed of his right to be represented by the Association at such meeting.

2.9.2 A copy of any written disciplinary action shall not be placed in the Employee's personnel file without first giving the Employee a copy of the written disciplinary action and the opportunity to place a written response to such disciplinary action in his personnel file.

2.9.3 Section 2.9 does not apply at any meeting held under the provisions of paragraph 7.1 and Article 8 of this Agreement.

2.10 Review of Personnel File At the mutual convenience of the Employee and the Superintendent or his designee, an Employee shall have access to their personnel file. At the Employee's request a representative of the Association may accompany the Employee in such review. There shall be one personnel file for each Employee which shall contain all records and information except confidential material. The term "confidential material" refers to confidential placement credentials from a college or university, personal references, reference checks with a prior employer authorized by and with the knowledge of the Employee, and any material protected from disclosure pursuant to Public Act 83-1104.

2.11 Cost of Providing Copies of this Agreement The cost of printing a sufficient number of copies of this Agreement will be shared equally by the Association and the Employer.

2.12 Rules and Regulations The Employer agrees that its rules and regulations covering Employee conduct shall be reasonable, and enforcement of said rules and regulations shall be reasonable and equitable.

2.13 Citizenship Employees shall be entitled to full rights of citizenship not inconsistent with the terms of this Agreement, and the exercise of those rights shall not be the grounds for any disciplinary or discriminatory action against any Employee.

2.14 Terms of Agreement The term of this Agreement or any succeeding Agreement shall be controlling in the event of any conflict between this Agreement and an individual Employee contract.

2.15 Presentations to the Employer The Employer shall place on the agenda of each regular Board meeting under "new business" any matter the Association desires to present to the Board so long as a written request to present such matter is submitted to the Superintendent at least twenty-four (24) hours prior to the regular meeting; provided, (a) the Association shall attach to such written request to the Superintendent a written statement of the matter the Association desires to present to the Board; (b) if no action is to be taken on said matter during this meeting, the Board may defer the presentation of such matter until the next regular Board meeting; and (c) no matter shall be presented to the Board under this Section which constitutes a grievance under Article 4 of this Agreement.

2.16 Outside Contracting The District retains the right to subcontract work in the manner it has done so prior to this Agreement.

2.17 School Calendar The Superintendent or his designee will invite the Association to submit its views and comments on a proposed calendar for the next school term prior to preparing the calendar and will consider such views and comments in formulating the recommendations for the Employer's decision; provided, however, the starting date for such next school term and the starting, ending, and length of the winter and spring vacation during such next school term shall be determined by negotiations between the Employer and the Association which shall commence no later than January 1 of the then current school term. If no agreement is reached on such matter by February 15 of such current school term, the Employer may establish its proposed calendar as last offered to the Association.

2.17.1 Such calendar shall not provide that school shall commence prior to August 15 of the year in which the school term commences, or end later than June 15 of the year in which such school term ends.

2.17.2 Such calendar shall provide a maximum of one hundred eighty-six (186) workdays, unless the law of the State of Illinois in effect at such times requires the Employer to provide a greater number of workdays for such school terms, in which event the workdays shall be increased to such greater number. Nothing in this Agreement shall be construed to prevent the Employer's extending the school term beyond the closing date provided in the school calendar if such extension of the school term is necessary to provide the minimum number of pupil attendance days required by Illinois law, provided the Employees are paid for such additional workdays on the basis of their regular contracts. Nothing contained in this provision shall be construed as a guarantee of days of employment for Employees represented by the Association.

2.17.3 If five (5) emergency days are included in the school calendar for such school term, and such days or any portion thereof are not used for emergencies, they shall not become Employee workdays.

2.18 Association Dues The Employer shall deduct from the pay of each Employee all current membership dues of the Association, including the Illinois Education Association and the National Education Association, provided that at the time of such deduction there is in the possession of the Employer a current written authorization for dues deduction, executed by the Employee, in the form and according to the terms of the authorization card. Such authorization card shall specify the amount of dues to be deducted from each Employee's salary for the current school year. Such authorization cards, in a form approved in advance by the Employer, shall be furnished by the Association.

2.18.1 An Employee employed on or before the start of the school term may authorize dues deduction by presenting an authorization card with the annual amount of deduction specified to the Employer on or before October 1. The amount specified will be prorated and deducted from the semi-monthly paychecks, starting October 31 and ending June 30.

2.18.2 Any Employee employed after the start of the school term may authorize dues deduction by presenting an authorization card to the Employer within thirty (30) days after the date of employment. The combined annual membership dues will be prorated and deducted from the remaining semi-monthly paychecks to complete payment by June 30.

2.18.3 An Employee may authorize dues deduction for part-year membership dues by presenting an authorization card with the amount of deduction specified to the Employer on or before February 1. The amount specified will be prorated and deducted from the semi-monthly paycheck, starting March 1 and ending June 30.

2.18.4 It is understood that any authorization for dues deduction shall be voluntary on the part of the Employee and may be revoked upon written notice to the Employer. Such authorization shall not be revocable for a period which is the lesser of one (1) year or the remainder of the term of this Agreement. If an Employee resigns from the employment of the Employer prior to termination of the effective period of the then current authorization, the Employer shall deduct the unpaid portion of such authorization from the Employee's final paycheck.

2.18.5 All dues deducted by the Employer shall be remitted to the treasurer of the Association within ten (10) days from the date the dues are withheld from the Employee's semi-monthly paychecks who have authorized such deductions in accordance with Section 2.18.

2.18.6 The Association shall indemnify and save harmless the Employer from any and all claims, demands, suits, and costs incurred in connection with any such claim, demand, or suit resulting from any action taken or omitted by the Employer for the purpose of complying with the provisions of this Section.

2.19 Association Representation on Committees The President of the Association shall have the right to add one (1) designated Association representative of his choice to any District or Building Committee on which bargaining unit members are participants.

ARTICLE 3: STRIKES AND LOCKOUTS

3.1 No Strikes The Association agrees there shall be no strike, withholding of services, slow-down, mass resignations, mass absenteeism, or other refusal to render full and complete service to the Employer during the term of this Agreement. The Association agrees that it will not authorize or encourage any interruption of service, including sympathy strikes or similar actions.

3.2 No Lockouts The Employer agrees that during the term of this Agreement it will not lock out any Employee covered by this Agreement.

ARTICLE 4: GRIEVANCE PROCEDURE

4.1 Definition A grievance is claim by the Association or an Employee that the Employer has violated, misinterpreted, or misapplied this Agreement.

4.2 Procedures Grievances shall be processed as rapidly as possible. The number of days indicated at each step shall be construed as a maximum and every effort shall be made to expedite the process. All time limits shall consist of calendar days, excluding Saturdays, Sundays, holidays as designated by the Illinois School Code, and other days falling during the school term which the Employer has established as "school holidays." A grievance shall be handled as follows:

4.2.1 **Step One.** An attempt shall be made to resolve any grievance by informal discussion between the grievant involved and the building principal. Such discussion shall be held at a time agreeable to the grievant and such principal.

4.2.2 **Step Two.** If the grievance cannot be resolved at step one, the grievant may file a grievance in writing with the building principal. Such grievance shall be filed within ten (10) days after the date of occurrence of the facts upon which the grievance is based or within ten (10) days of knowledge of the occurrence of the facts upon which the grievance is based. The written grievance shall state the nature of the grievance, the provision(s) of this Agreement which the Employer allegedly has violated, and the relief sought. Within ten (10) days after such written grievance is filed, the grievant and the principal or other administrator who has authority to make a decision on the grievance shall meet to resolve the grievance. Within ten (10) days after such meeting, the grievant and the Association shall receive a written answer to the grievance which shall explain the reasons for the decision on the grievance.

4.2.3 **Step Three.** In the event the grievance has not been satisfactorily resolved at step two, or the step two time limits expire without the issuance of a written reply, the aggrieved or the Association may file a written appeal of such grievance with the Superintendent of Schools by giving written notice of such appeal within ten (10) days of the step two

answer or expiration of the time limit for the step two answer. A copy of such appeal also shall be filed with the administrator who prepared the step two answer. Within ten (10) days after such appeal is filed, the aggrieved, representative of the Association, and the Superintendent or his designee shall meet to resolve the grievance. Within ten (10) days after such meeting, the Superintendent or his designee shall give the aggrieved Employee and the Association a written answer to the grievance, which answer shall state the reasons for the decision of the Superintendent or his designee.

4.2.4 Step Four. If the step three answer is not acceptable to the Association or the step three time limits expire without the issuance of a written reply, the Association may appeal the grievance to final and binding arbitration by giving written notice of such appeal within twenty (20) days after receipt of the step three answer or expiration of the time limit for the step three answer. If the Employer and the Association cannot agree upon an arbitrator within seven (7) days after the Association files such appeal, the American Arbitration Association will be requested to provide a panel of seven (7) arbitrators. Either party may reject the first panel of arbitrators by giving the other party written notice of such rejection. Upon receipt of an acceptable panel of arbitrators, the parties shall meet at a mutually agreed time, and each party shall alternately strike one (1) name from the panel until only one (1) name remains, who shall be the arbitrator for the given grievance. The first party to strike a name shall be determined by coin flip. Such arbitrator shall be under and in conformance with the "Voluntary Labor Arbitration Rules" of the American Arbitration Association; provided, however, if the parties mutually agree, such arbitration may be conducted under the "Expedited Labor Arbitration Rules" of such Association.

- (a) Neither the Employer nor the Association shall be permitted to assert any argument or evidence before the arbitrator which was not previously disclosed to the other party.
- (b) The arbitrator shall have no authority to alter, delete, or add to the terms of this Agreement.
- (c) Each party shall bear the full costs for its representation in the arbitration. The cost of the arbitrator shall be divided equally between the parties.
- (d) The arbitrator is empowered to include in any award such financial reimbursements or other remedies as he judges to be proper.
- (e) If either party requests a transcript of the proceedings, that party shall bear the full costs for that transcript. If both parties order a transcript, the cost of the two (2) transcripts, three (3) transcripts if a copy is requested by the arbitrator, shall be divided equally between the parties.

4.3 Other Provisions The following, when applicable, shall apply in processing a grievance.

4.3.1 If the Association and the Superintendent or his designee mutually agree, lower steps of the grievance procedure may be by-passed and the grievance taken directly to step four of this grievance procedure.

4.3.2 Class grievances involving one (1) or more Employees or one (1) or more supervisors and grievances involving an administrator above the building level may be initially filed by the Association at step three.

4.3.3 The Employer acknowledges the right of the Association's grievance representative to participate in the processing of a grievance at any level, and no Employee shall be required to discuss any grievance if the Association's representative is not present.

4.3.4 Should the investigation or processing of any grievance require that an Employee or an Association representative be released from his regular assignment, he shall be released upon mutual agreement of the Superintendent and the Association President to such release, and such release shall be without loss of pay or benefits.

4.3.5 All documents, communications, and records dealing with the processing of a grievance shall be filed separately from the personnel files of the participant.

4.3.6 A grievance may be withdrawn at any level without establishing a precedent.

ARTICLE 5: HOURS OF WORK

5.1 Classroom Pupil Contact Time The Employer will not increase the normal scheduled classroom pupil contact time from six (6) hours and fifteen (15) minutes at the elementary level, from six (6) hours and forty-five (45) minutes at the junior high and high school levels during the term of this Agreement except pursuant to mutual agreement with the Association.

5.2 Normal Scheduled Workday Elementary school Employees shall report to their assigned buildings thirty (30) minutes before the scheduled starting time for student attendance and remain at the building thirty (30) minutes after the regular dismissal time for students. Junior high and senior high school Employees shall report to their assigned buildings fifteen (15) minutes before the scheduled starting time for student attendance and remain at the building fifteen (15) minutes after the regular dismissal time for students.

5.2.1 The equivalent time before and after the student day may be combined and mutually scheduled by the Employees and the building principal so that a larger block of time is available either before or after the student day.

5.2.2 Employees are expected to be available for conferences with their building principal or designated supervisor either before or after the normal Employee workday; provided, however, every reasonable attempt will be made to schedule such conferences during an Employee's scheduled planning and conference time as provided by Section 5.3 of this Agreement.

5.3 Scheduled Planning and Conference Time To the extent provided in this Section, all full-time Employees except guidance counselors, librarians, psychologists, social workers, ACC and high school cooperative education Employees, parent facilitators, regional vocational coordinators, and certificated school nurses shall receive scheduled released time from their regular teaching duties for planning and conferences except in (a) emergency situations, (b) when another school activity is held during the Employee's scheduled released time, or (c) on days when a shortened school day is established by the Employer. It is agreed that such full-time Employees who are exempt from receiving scheduled planning and conference time have flexibility within their normal workday to provide for such activities.

5.3.1 When used in this Section, the following definitions of terms shall apply:

- (a) "Normal workday" means the workday specified in Section 5.2 of this Agreement.
- (b) "Normal workweek" shall consist of five (5) consecutive normal workdays.
- (c) "Full-time Employee" means an Employee employed by the Employer on Appendix A of this Agreement to work a normal workday and workweek for the entire school term or the remainder of the school term.

Such notice shall state a brief description of the duties involved in the position and the salary range. The Employer need not post a notice of any permanent or anticipated vacancy for a

school term, if such vacancy develops after July 1 immediately prior to commencement of such school term; however, the Employer shall send notification of the vacancy to the Association President. Any such unsuccessful applicant who requests in writing the reasons he was not selected shall be given the reasons in writing by the Employer within five (5) normal scheduled workdays after such request.
